Emergency Road Closure in Churchula

Due to a collapsed pipe, county officials have closed a portion of Robert Road, located northeast of Walter Moore Road in Churchula. The county will begin replacing the pipe on tomorrow, Wednesday, May 7, 2014; and work is expected to last for two days. At this time, officials are unsure if the damage is a result of last week's tumultuous weather. Motorists are asked to be cautious and follow the detour on Walter Moore Road.
